East Coast Landscape Design's team of plant and hardscape installation professionals has brought beauty and functionality to neighborhoods in Maryland, Northern Virginia, and Washington, D.C. for almost 30 years. We specialize in all aspects of landscape design and planting, including perennials, theme gardens, water gardens, water features and yards bursting with color. We will work with you to develop a plan that fits your dream and your budget.

We transformed this landscape in Bethesda, Maryland

"Our thanks to you and your [landscaping](#) crews for the beautiful flagstone path we now enjoy on the north side of our house. The path enhances the natural lay of the land and it complements the existing [plantings](#). It is also extremely functional, as this side of the house receives lots of foot traffic and was too shady for adequate grass cover." Clients in Bethesda, MD

Our design and installation service has one goal in mind – making our clients' outdoor spaces beautiful and functional. Whether you're interested in creating a sophisticated landscape, a peaceful outdoor space, a garden bursting with color, or you simply want to update your existing outdoor space, call [East Coast Landscape Design](#) (301) 421-4141. We invite you to browse our portfolios featuring landscape design, hardscapes, and water features. When you're ready to learn more about us, we can provide you with an estimate and references.
